

Training and Certification in CPR and AED

CPR (cardiopulmonary resuscitation) and AED (automated external defibrillator) training and certification is being offered the following dates:

Saturday May 10; Thursday May 29; Saturday May 31; Saturday June 7; Saturday June 14; Thursday June 19. **(You only need to attend one class.)**

TIME: Thursday nights 7 PM to 9 PM; Saturdays 9 AM to 11AM

WHERE: Chadds Ford Township Building, 10 Ring Road, Chadds Ford, PA

WHY LEARN CPR?

Cardiac arrests are more common than you think, and they can happen to anyone at any time.

- Nearly 383,000 out-of-hospital sudden cardiac arrests occur annually, and 88 percent of cardiac arrests occur at home.
- Four out of five cardiac arrests happen at home.
- Statistically speaking, if called on to administer CPR in an emergency, the life you save is likely to be someone at home: a child, a spouse, a parent or a friend.
- Effective bystander CPR provided immediately after sudden cardiac arrest can double or triple a victim's chance of survival, but only 32 percent of cardiac arrest victims get CPR from a bystander.

COST: \$10 per person; limited class size to ten participants each class

Registration should be given to Matt or Judy.

Any questions? Please call Judy at 610-388-8800 extension 104
